Please join us in sharing the success of The Yonkers Brewing Co.!

An event generously hosted by Key Bank on behalf of Community Capital New York

The Yonkers Brewing Company's mission is to bring brewing back to Yonkers. It's our mission to help.

With help from Community Capital New York, Key Bank, and the New York Business Development Corporation, John Rubbo and Nick Califano were able to get the loans they needed to realize an unlikely dream: breaking ground on a brewery in their hometown of Yonkers, the first since prohibition. As community lenders, we've made it our mission to help businesses like John and Nick's succeed.

Tuesday, March 24th – 5.30 – 8 PM
The Yonkers Brewing Co.
92 Main Street, Yonkers
Hors d'oeuvres and beer will be served

Come hear more about the many ways community lenders build communities.
